VOLUNTARY CONTRIBUTION

The Board of Directors unanimously supports efforts to better fund the Indian Harbor Volunteer Fire Department. The use of the funds contributed will be at the discretion of the Fire Department. The money will be used to improve and maintain the equipment and for training. It is proposed that each household donate a minimum of \$1.00 per month directly to the Fire Department. A one-time \$12.00 contribution would fulfill your obligation for the year. When people volunteer for this property and life saving service, they should not have to beg for the funds to meet their needs. The life they save may be yours, so .25 cents per week is cheap. Your contribution is deductible if made by check or by cash when a person at the office or an officer of the Fire Department initials this receipt.

Type of Pet/Breed	Color	Answers to (name)

I understand the Harbor has restrictions limiting the number of pets allowed per property and that I am within the limit for my phase. I also understand the Harbor has a leash law that Safety enforces. If a pet is found loose there is a fine of \$100.00. The fine for an unregistered pet is \$50.00. As of August 1, 2007 the Harbor has instituted a Pit Bull ordinance all Pit Bulls have been banned from the Harbor, unless they were here prior to that date. The fine is \$300.00 per day for anyone who brings a Pit Bull into the Harbor after August 1, 2007.
