Vehicle Sticker Form

The office will not have the information from the previous year so property owners must provide all proper documentation. Below is a checklist to bring to the office to receive your new stickers.

- Proof of insurance for all vehicles.
- Vehicle year, color and model
- License plate numbers for all vehicles. No stickers will be issued without vehicle license plate numbers.
- **The first two (2) stickers are $5.00 each and each additional sticker is $10.00.**

Please complete the following form and bring to the office. To avoid the lines you may drop the form and the monies in the night drop at the office and the stickers will be left at the gate for pick-up. If you prefer the form and monies may be mailed and the stickers will be left at the gate for pick-up on your next trip to the Harbor.
